

THE HEADMASTER'S BULLETIN

N° 01

- ✓ It is a pleasure to be back and to have your children making the school come alive again.
- ✓ We have had four parents evenings over the last two weeks – two from the Early Years Section and S 3 & 4 and S 5 parents this week. My thanks to those parents who attended and for the questions asked which are helpful in making me aware of our concerns and uncertainties.
- ✓ Next week there are other four parents' evenings:
 - ✓ Monday 9th : S 1 & 2
 - ✓ Tuesday 10th : P 4, 5 & 6
 - ✓ Wednesday 11th : P 2 & 3
 - ✓ Thursday 12th : P 1
- ✓ Please note that all these meetings will start promptly at 7:30 pm. and are an opportunity to ask questions, meet your child's form tutor and to tour the school. I look forward to meeting you.
- ✓ During the course of next week, your children will be making their choice for extra curricular activities. I should like to clarify for you that as well as their games afternoon, your children are required to stay on other afternoon doing a cultural activity. They may stay as many afternoons as they wish.
- ✓ Members of staff have been asked by several parents if they may bring and leave their child's lunch later in the morning with Srta. Vania, the receptionist. The answer is no as the reception area is for receiving visitors and as it is their first contact with the College this area needs to be kept free of unnecessary items. Children should come to College each morning with their loncheras and if a warm meal is required then this should either be brought in a thermos or arrangements made with Sra. Laly Flores for your child to have a warm lunch from the cafeteria.
- ✓ Finally, may I thank the great majority of you who have supported the policy regarding uniform. I am very grateful to you for this support and hope that you agree with me that not only do your children do your credit but make the college stand out as being serious regarding its standards and expectations.

Thank you again
Bruce Allen
Headmaster
